

Eksempel 2

$$\frac{3}{7} + \frac{2}{7} =$$

The diagram illustrates the addition of two fractions, $\frac{3}{7}$ and $\frac{2}{7}$, using rectangular bars. The first bar, representing $\frac{3}{7}$, is divided into 7 equal vertical sections, with the first 3 sections shaded light blue. The second bar, representing $\frac{2}{7}$, is also divided into 7 equal vertical sections, with the first 2 sections shaded light blue. The bars are separated by a plus sign, and the result is indicated by an equals sign.
