

Eksempel 1

$$\frac{1}{5} + \frac{3}{5} =$$

The diagram illustrates the addition of two fractions, $\frac{1}{5}$ and $\frac{3}{5}$, using rectangular models. The first fraction, $\frac{1}{5}$, is represented by a rectangle divided into 5 equal vertical strips, with the first strip shaded light blue. The second fraction, $\frac{3}{5}$, is represented by a rectangle divided into 5 equal vertical strips, with the first three strips shaded light blue. An equals sign follows the second rectangle, indicating the result of the addition.
