

## *Eksempel 1*

$$\frac{1}{5} + \frac{3}{5} =$$

The diagram illustrates the addition of two fractions,  $\frac{1}{5}$  and  $\frac{3}{5}$ , using rectangular bars. The first bar, representing  $\frac{1}{5}$ , is divided into five equal vertical sections, with the first section shaded light blue. The second bar, representing  $\frac{3}{5}$ , is also divided into five equal vertical sections, with the first three sections shaded light blue. The bars are separated by a plus sign, and the entire expression is followed by an equals sign.
